H. California Dashboard Local Indicators (20 minutes)

Chief Academic Officer Ms. Baur presented an overview of the District's local indicator data included on the California Dashboard. The California Dashboard is used by parents/guardians, educators, and other stakeholders to see how local educational agencies and schools perform under California's school accountability system.

All local indicators must be updated annually and reported to the local Governing Board in conjunction with the approval of the Local Control Accountability Plan.

The local indicators are:

- State Priority 1 - Basic Services and Conditions of Learning
- State Priority 2 - Implementation of State Academic Standards
- State Priority 3 - Parent Engagement

- State Priority 6 - School Climate
- State Priority 7 - Broad Course of Study

I. Community Restroom Process Summary (30 minutes)

The iReady Diagnostic Assessment Data Overview was pulled for a future meeting.

Chief Business Officer, Ms. Westover, presented the feedback received regarding the field restrooms located at Landels, Castro/Mitral, and Huff School. Some community recommendations were:

- Gender-neutral/family restrooms
- Water fountain with bottle filler
- Keeping restrooms locked during school hours

Public adult restrooms should not be shared with students for safety reasons. Collaboration with the City of Mountain View and the Mountain View Police Department has taken place. The City is planning to contribute to the building of the restrooms. On June 17, 2021, staff will present schematic designs, budget, and timeline for Trustee approval.

Some suggested items to consider:

- Period products in the restroom
- Diaper changing stations in both restrooms
- Gender-neutral
- Acknowledging City and District partnership signage

Chief Business Officer, Ms. Westover, presented the feedback received regarding the lighting that will be located at all sites, except for Vargas. On June 17, 2021, staff will present schematic designs, budget, and timeline for Trustee approval. Trustees heard from Architect Ken. The lights can be bypassed, or an override can be done for up to two hours.

Feedback received indicated that for safety reasons, lighting for pathways was needed. Some community requests were:

- Castro: lights on the backside of campus
- Landels: additional lighting in the hallways
- Monta Loma: additional lighting around the field pathways

The following member of the public addressed the Board of Trustees:

- Steven Nelson
- Silja Paymer

Trustee Chiang visited all the school sites at midnight and walked the perimeter. Based

on what he saw, he cannot support the item when many of the sites have sufficient lighting for safety. He will support the Board's decision.

K. iReady Diagnostic 3 Assessment Data Overview (45 minutes)

This item was pulled off the agenda for a future meeting.
