Quick Summary / Abstract:

The Board will hear an update on the impact on the District of the Governor's proposed budget for 2016-17.

Rationale:

Person Responsible: Dr. Robert Clark, Associate Superintendent/Chief Business Officer

The Governor presented his Proposed 2016-2017 State Budget in mid-January. MVWSD staff attended the School Services of California budget presentation on January 13. With the Local Control Funding Formula in place, any increases to school districts will vary by each Local Education Agency (LEA).

The Governor's proposed 2016-2017 Budget contains good news for school districts. The California economy is maintaining its steady growth. The Local Control Funding Formula (LCFF) is fully funded for the 2016-2017, with 95% of the gap between current funding and the goal funding amount of 2020-2021 completed.

Some of the major highlights of the proposed budget include: funded Cost of Living Adjustment (COLA) of 0.47%; the 2015-2016 Maintenance Factor paid; \$1.2B in one-time funding suggested for Common Core implementation, upcoming textbook adoptions, professional development, beginning teacher induction programs, or deferred maintenance.

The release of the Governor's proposed budget is just the first step in a marathon that will end with the adoption of the State budget in June. The District will work to prepare the 2nd Interim Budget Report for the March 3 board meeting. At that time, the Governor's proposed budget will be reflected in the District's multi-year projection (MYP). The creation of the Local Control Accountability Plan (LCAP) will continue over the spring for final adoption in June. The Governor will release the Revised Proposed 2016-2017 Budget in May, and staff will work to make the pertinent changes to the final MVWSD budget adoption for public hearing at the June 2 board meeting, with Board action to adopt at the June 16 meeting.

**D. Measure G Series B Issuance of Bond Proceeds: Resolution # _____ -
A RESOLUTION OF THE BOARD OF TRUSTEES OF THE MOUNTAIN
VIEW WHISMAN SCHOOL DISTRICT AUTHORIZING THE ISSUANCE OF
MOUNTAIN VIEW WHISMAN SCHOOL DISTRICT (SANTA CLARA
COUNTY, CALIFORNIA) ELECTION OF 2012 GENERAL OBLIGATION
BONDS SERIES B, AND ACTIONS RELATED THERETO**

Quick Summary / Abstract:

The Board will have the opportunity to discuss a resolution regarding the issuance of Measure G bond funds.

Rationale:

**Person Responsible: Dr. Robert Clark, Associate
Superintendent/Chief Business Officer**

An election was held in the Mountain View Whisman School District on June 5, 2012 for the issuance and sale of general obligation bonds (Bonds) of the District for various purposes in the maximum amount of \$198,000,000 (the Measure G). Previously, the District sold the first series of Bonds under Measure G in a principal amount of \$50,000,000. The District now desires to issue its second and final series of Bonds under Measure G in an amount not-to-exceed \$148,000,000. The District proposes the issuance of Bonds that include current interest bonds, as well as bonds that allow for the compounding of interest, including capital appreciation bonds. The Bonds are being authorized for sale for the purpose of providing funds to finance projects approved by Measure G and to pay the costs of issuing the Bonds.

Pursuant to California Education Code Section 15146(b)(2), enacted by California Assembly Bill 182 (Stats. 2013, Chapter 477) and effective as of January 1, 2014, the Resolution and materials included in this agenda item are to first be publicly noticed as an information item at this February 4, 2016 Board meeting. At the Board s next consecutive meeting, currently scheduled for February 25, 2016, the attached Resolution and materials will be publicly noticed as an action item for consideration by the Board.

(a) Bond Resolution. This Resolution authorizes the issuance of Bonds, specifies the basic terms, parameters and forms of the Bonds, and approves the form of Purchase Contract and form of Preliminary Official Statement described below. In particular, Section 1 of the Resolution establishes the maximum aggregate principal amount of the Bonds to be issued (\$148,000,000). Section 4 of the Resolution states the maximum underwriter s discount with respect to the Bonds (0.375%), the maximum legal interest rate on the Bonds, and authorizes the Bonds to be sold at a negotiated sale to RBC Capital Markets, LLC (the Underwriter).

(b) Form of Purchase Contract. Pursuant to the Purchase Contract, the Underwriter will agree to buy the Bonds from the District. All the conditions

of closing the transaction are set forth in this document, including the documentation to be provided at the closing by various parties. Upon the pricing of the Bonds, the final execution copy of the Purchase Contract will be prepared following this form.

(c) Form of Preliminary Official Statement. The Preliminary Official Statement (POS) is the offering document describing the Bonds which may be distributed to prospective purchasers of the Bonds. The POS discloses information with respect to among other things (i) the proposed uses of proceeds of the Bonds, (ii) the terms of the Bonds (interest rate, redemption terms, etc.), (iii) the bond insurance policy for the Bonds, if any, (iv) the security for repayment of the Bonds (the *ad valorem* tax levy), (v) information with respect to the District's tax base (upon which such *ad valorem* taxes may be levied), (vi) District financial and operating data, (vii) continuing disclosure with respect to the Bonds and the District, and (viii) absence of litigation and other miscellaneous matters expected to be of interest to prospective purchasers of the Bonds. Following the pricing of the Bonds, a final Official Statement for the Bonds will be prepared, substantially in the form of the POS.

(d) Form of the Continuing Disclosure Certificate. The form of the Continuing Disclosure Certificate can be found in APPENDIX C to the POS. Effective July 3, 1995, all underwriters of municipal bonds are obligated to procure any public agency issuing debt a covenant that such public agency will annually file material financial information and operating data with respect to such public agency through the web-based Electronic Municipal Market Access (EMMA) system maintained by the Municipal Securities Rulemaking Board (a federal agency that regulates broker-dealers, including investment bank firms that underwrite municipal obligations). This requirement is expected to be satisfied by the filing of the District's audited financial statements and other operating information about the District, in the same manner the District has filed in connection with prior bond issuances.

(e) Requirements of Education Code Section 15146(b) and 15146(c). In satisfaction of California Education Code Sections 15146(b) and 15146(c), enacted by California Assembly Bill 182 (Stats. 2013, Chapter 477) and effective as of January 1, 2014, appended to the Resolution is an information item (Exhibit B) containing the following information provided by Keygent LLC, the financial advisor to the District: approximations of the financing term of the Bonds; time of maturity of the Bonds; repayment ratio of the Bonds; estimated change in assessed value of taxable property within the District over the term of the Bonds; an analysis containing the total overall cost of the capital appreciation bonds expected to be issued; a comparison between the overall cost of the capital appreciation bonds expected to be issued and the overall cost of current interest bonds; and the reason that capital appreciation bonds are being recommended.
