Re: Request for Presentation

Dear Ms. Anderson-Rosse:

As the oversight authority of the Bullis Public Charter School (“BPCS”), the Mountain View Whisman School District Board of Education (“Board”) asks that BPCS attend and present to the Board at its March 7, 2019 meeting. This presentation is to provide information regarding BPCS’s plans for opening its school, the status of its governing board and a detailed explanation of its admission, lottery and enrollment procedures. BPCS’s presentation shall include, among other things, up to date enrollment information, samples of application and enrollment forms, and scheduled dates for applications, lottery and enrollment. The District will be happy to assist with technology for the presentation materials.

Please contact me if you have any questions regarding the above.

Sincerely,

Dr. Ayindé Rudolph  
Superintendent
