Re: Request for Clarification Regarding Requirements for  
Admissions Practices

Dear Ms. Anderson-Rosse:

We are in receipt of your email requesting clarification regarding the requirements for Bullis Mountain View ("BMV") admissions practices. There should be no confusion as the Mountain View Whisman School District Board of Education ("Board") approved the BMV charter subject to the requirements that: (1) students who are eligible for Free and Reduced-Price Meals ("FRPM") and who reside within the attendance boundaries of Castro, Theuerkauf, and Monta Loma Elementary Schools be afforded first enrollment preference; and (2) students who are eligible for FRPM and who reside within the Mountain View Whisman School District be afforded second enrollment preference.

There has been no action by the Board to change its approval of the charter with these requirements nor is the Board confused as to the requirements in place. As such, the BMV charter requires the above stated preferences and the expectation is that BMV will comply. We enclose the Staff Report and the Minutes of the December 20, 2018 Board meeting for your file.

Should you have any questions regarding the foregoing, please contact me.

Sincerely,

Dr. Ayindé Rudolph

Superintendent
