

Dear Neighbor,

After community meetings, the Board of Trustees approved a plan in June 2016 to encompass construction at Stevenson and Theuerkauf Elementaries, relocation of the Preschool program from the Slater site and rebuilding of the District Office.

The first half of the project is almost complete. Stevenson Elementary will move into their new, permanent school this summer. Then, this summer the District Office will move into the temporary housing vacated by Stevenson. District Office construction is set to begin in Summer 2018 with the demolition of District Office beginning in August. The District Office will open in April 2019. In spring 2019, the temporary housing will be converted to permanent preschool classrooms for the relocation of Slater Preschool.

Regards,
Ayindé Rudolph, Ed.D.
Superintendent
