Favorites are served with the fresh side of the day, Vegetable/fruit Bar, and milk choice.

A complete lunch includes an entree supplying protein, grain, vegetables, fruit and 1% or fat free milk. USDA requires that a student select 3 to 5 different components. A cold vegetable/fresh fruit bar is available daily, on which we feature a variety of veggies and fruits including locally grown when seasonally available. We offer deeply colored, nutrient-rich veggies including red/orange and dark green vegetables, as well as beans and other additional choices.

The School Lunch Program is operated in accordance with U.S. Department of Agriculture policy which does not permit discrimination because of race, color, sex, age, handicap or national origin. Any person who believes that he or she has been discriminated against in any U.S.D.A. activity should write to the Secretary of Agriculture, Washington, D.C. 20250.
